Salinas, California, Friday, January 11, 1952

Number 12

New Bus Arrival Time Causes Hassle

"Shrew" Needs Male Characters

Male characters are needed by the Hartnell College drama department for the Shakespearian comedy "Taming of the Shrew," announced director Mr. Harold H. Ulrici yesterday. Production dates are set for March 6, 7, and 8, with rehearsals scheduled for evenings.

Any person in the community, whether student or adult, is welcome to contact Mr. Ulrici at the college, telephone 8057, and discuss the possibility of trying out for the show, and any conflicts or obligations connected with rehearsal time. This policy of inviting adults to participate was initiated at the beginning of the school year, and will be continued in order to increase local interest in dramatics.

This Shakespearian drama promises to be the outstanding point in the ambitious season of the Hartnell College dramatics department. Speech students are especially urged to try out for the play, which involves the fight of a father and a young man (Petruchio) to tame daughter Katherine and prepare her for marriage. The reasons for this battle are that Petruchio wants to marry Katherine, and that the father wants to have her married to get rid of her; largely so that he will be able to allow younger daughter Bianca to accept one of the many good offers she has

(Continued on Page 2)

Music Division Makes Plans For Coming Semester

The Hartnell College orchestra under the direction of Mr. Loren McCann will meet next semester at 2:00 o'clock. This change has been made so that more musicians can enter into the activities of the orchestra.

Two units of credit are given for five days weekly. Those who can arrange their schedules for only three days weekly will receive one unit.

On the agenda for the coming semester are two annual activities of the orchestra, the Spring Concert and commencement exercises. New students may enter for the Spring semester. Sight reading of a wide variety of music is planned.

A limited number of students who have had some music, preferably piano, may learn to play a band or orchestra instrument next semester, stated Mr. McCann. Music 9B will be taught daily at 10:00. Credit can be arranged.

Student Lounge Discussed At ASB Meeting

Possible closing of the student lounge was foreseen as a result of action taken by the student body commission recently. George Jackson, student body president, outlined the situation in an assembly held last week and proposed a plan whereby students would be given an opportunity to keep the lounge open by their actions.

Since the opening of the former cafeteria as the student lounge in November, student conduct in the lounge has been at a low level and resulted in general disorderliness and damage to the furnishings Jackson explained.

During this past week conduct of students in the lounge will determine whether or not it will be closed. Student body officers are to vote for or against the closing of the room, Jackson added.

In the event the lounge is closed, students will need to petition for its reopening as a result of action taken by the commission in its regular Monday meeting this week.

Jackson stressed that in addition to detracting from the pleasure of the student body, an unordered lounge would serve as a detriment to any possible progress toward a student union for the college.

Chinese Dinner In Room 16 Soon

Like Chinese food? Here is your chance to try it if you never have. The International club will sponsor a Chinese dinner the first week of February. Chopsticks are being bought and will be given as souvenirs to those attending the feast.

Acting as chairman of foods is Betty Innocente; Lutz Graf zu Muenster, finance chairman; Leo Agustin, decoration, and Delores Sanchez, chairman of posters.

All students are invited to attend this affair which will be held in Room 16. Price of the dinner is 75c.

Sports Writer Gets USNR Call

Sports Writer Dale Swire has been called from the Panther Sentinel staff to active duty with the U.S. Naval Reserves. Swire's participation in sports events, particularly on the football team, has given him an opportunity to give

Dyer Quits Interclub Post; Ledford Is Prexy

Interclub council officers Ray Dyer, president, and Dorothy Hodge, secretary-treasurer, submitted their resignations to the members of the council at their weekly meeting last week. Increased participation in athletic activities forced Dyer to resign his post which he has held since the beginning of the fall semester. Dorothy Hodge will be graduated from Hartnell College next week and plans to attend Highland's nursing school in Oakland.

Freda Ledford, vice-president of the Interclub council, succeeded Dyer to the presidents office. Miss Ledford will take over the official duties at the regular meeting next week.

Four club representatives were nominated to fill the vice-president vacancy. They were: Elvin Juhl from the Young Farmers club, Dick Johnson from the Canterbury club, Lutz Muenster representing the International club, and Jack Albert Men's club prexy.

Three ballots and the president's right to vote in a tie was necessary

FREDA LEDFORD

to determine the vice-presidential candidate yesterday afternoon. The first ballot gave no votes to Juhl, four to Johnson, four to Muenster, and five to Albert. The ballot was nullified because one of the 14 club representatives present omitted to cast a vote. In the second ballot Muenster and Albert received five votes each making it a tie. Third ballot resulted in a tie again with

Panther Sentinel readers the best coverage possible.

His tour of duty, probably at sea on a regular navy vessel will last for two years. He has attended Hartnell College for two years.

Students May File Complaints in Main Office

Students with complaints about the later school starting hour next semester have one more day to file their complaints in the main office. Mr. John Lemos, Hartnell College president, made this announcement regarding the plan:

"Those students with legitimate reasons for buses to arrive for 8 o'clock classes this coming semester rather than for

9 o'clock classes will please state their reason to the college office by January 11 at 4 o'clock. Those who do not so report to the office, in person, will be assumed to be in favor of the late bus schedule."

When Mr. Lemos first announced the time change, several interested students circulated a petition protesting the change on the commute buses. Only a few more than half of the out-of-town students signed the petition so naturally it could not be seriously considered by Mr. Lemos and the school board.

The chief complain against the new hours is the change in the schedule of classes for the forthcoming semester. Students who have in the past scheduled their classes during the morning so that they could work at outside jobs during the afternoon will find their outside income greatly reduced. The rescheduling of classes also will cause difficulty in making class schedules for those students who carry rather heavy study loads.

The first complaints after the announcement was made came from the students who commute on the college buses. They will have to use the older, and presumably more uncomfortable, buses. Also unless grammar and high school bus drivers who live out of town drive their own cars to Salinas every day, they will lose their jobs as drivers.

The hour change is not new. During the history of Hartnell College, several combinations of school hours have been in effect. Previously to the present hours, classes were held from 9:00 o'clock in the morning until 5:00 o'clock in the afternoon. That system was discontinued when commute students complained of arriving home too late.

If enough legitimate reasons are filed in the college office today and tomorrow, it is possible that the hours may be changed back to the present arrangement.

Ski Trip

Al Janes is now accepting reservations for a skiing trip which will be taken during the vacation between semesters.

Scribes Needed

Mr. Robert Johnston, advisor of the Panther Sentinel, has announced the need for staff writers for the college paper next semester. Prospective staff members are asked to see Mr. Johnston before the end of this semester or on registration day.

The staff meets on Tuesday and Thursday mornings and students may receive either one, two, or three units.

Stanford University Offers Scholarship

Professor Clark Henderson of the School of Engineering at Stanford University will visit the Hartnell College campus January 17 at 10:00 to talk with engineering students interested in transferring to the university.

Professor Clark, according to Rixford K. Snyder, director of admissions for the university, is well qualified to discuss the school of engineering. Information regarding Stanford's engineering scholarships may also be obtained from Clark.

For further information on the visit, engineering students are asked to see Mr. Gerry Girdner.

Muenster and Albert receiving seven votes each.

Retiring president Ray Dyer cast his privilege vote in favor of the Men's club nominee Jack Albert. The vice-president of the Interclub council automatically becomes the council's representative to associated student body commission.

Darlene Clizbe from the International club was elected secretary-treasurer of the council on an uncontested ballot. She succeeds Dorothy Hodge.

From the 22 clubs that are active on the Hartnell College campus, 14 were represented at Friday's meeting. Harold Ulrici, faculty advisor to the Interclub council and George Jackson, Associated student body president, were present at the meeting.

Public Speaking Courses Offered

Two public speaking courses, Speech 1-B and 2-B, are open to new students entering at mid-year, announced Miss Faith Fraiser, speech instructor.

Speech 1-B is a practical course for beginning students, designed to develop skill in preparation and delivery of public speeches. Attention is given to development of confidence and poise, the finding of ideas and materials, directness, action, and variety of presentation. Introduction to the oral reading of prose and poetry is stressed in Speech 2-B.

Popular ballroom dancing will be taught along with folk dancing if there is a demand for it, said Miss June Handley, physical education instructor.

"SHREW" ...

(Continued From Page 1)

received for marriage. How the taming is accomplished provides an interesting and highly hilarious story.

Further information concerning the drama can be obtained from Mr. Ulrici in Room 29. All cooperation, or attempts at cooperation with the department in rounding out the cast will be well appreciated by the department.

Choir to Meet At 1:00, MWF

During the Spring semester the Hartnell Choir will meet MWF at 1:00 o'clock, announces Mr. Vahl Aslanian, choir director. It is hoped the change will enable the choir to have a membership of at least 50 persons.

On the Spring agenda, if the choir reaches 50 personnel, is the "German Requiem" by Brahms, a large work for baritone and soprano solos, chorus, and orchestra. A concert tour of high schools in the Salinas area is also planned.

The men's and women's glee clubs have been eliminated. Replacing them will be an ensemble, consisting of 16 persons, four from each part of the choir. Ensemble work will consist largely of madrigals and chansons as well as radio work and concert performances.

Tryouts for ensemble work will be held during registration. Time and place will be announced later.

Frank Felice

A letter was recently received by Mr. Claud Addison from Frank Felice, former Hartnell student, who is now stationed at Johnson Air-base near Tokyo, Japan. Corporal Felice is working in the headquarters base office as a typist-clerk.

STAN LOVETT

Art Student To Study At Academy

"Bob Cratchett" (Stan Lovett) of "Christmas Carol" will leave Hartnell College next week to follow a curriculum in commercial art at the Academy of Advertising Art in San Francisco.

Lovett is well known for his realistic portrayals in the recent Hartnell dramatic productions. As Bob Cratchett in the "Christmas Carol" he played his sixth role in as many plays.

The five preceding plays presented by Harold Ulrici during the present school year brought Lovett to the theater audience as Dennis Pennington in "The Two Mrs. Carrs," the young and precocious Cosmo Gray in "Alice-Sit-by-the-Fire," slave to Jason in "Medea," Bertram Graves in "The Happiest Years," and Julius Caesar in the "Redemption."

In addition to developing his dramatic ability with the character roles in the Little Theater presentations Lovett designed the pro-

gram covers for the last four productions and worked with Mr. Ulrici in making up and designing the backdrops for the plays this year.

Art exhibits in the science wing, library, and art class have displayed several of Lovett's watercolor landscape scenes throughout the past year. Four of the paintings were purchased by Monterey Bay area residents interested in local students' art.

Oil painting of still life and sculpture under the instruction of Leon Amyx were included in his study list as an art major at Hartnell College the preceding two years.

He is now completing a replica of Donatello's "David" as a part of the sculpture class assignment for the fall semester.

Special interest and aptitude in the water color medium of art work brought Lovett to Mr. Amyx's attention, because Mr. Amyx specializes in water color painting at Hartnell College, in Lovett's freshman year. Since that time Lovett has been instrumental in arranging and organizing the exhibits and poster campaigns for the various campus events.

Three years in active service with the United States Navy entitled Lovett to attend Hartnell College under the G.I. Bill. This financial support will continue at the Academy of Advertising Art in San Francisco for one semester. The remaining year and a half of commercial art training will be financed by Lovett himself.

McCann Needs More Bandmen

Students with some previous experience in band may enroll in band for the Spring semester, announced Mr. Lorel McCann, band director.

Campus concerts during the regular band period at 12:00 noon and visiting seniors concerts are two of the activities of the band next

Girls Receive Gold Pins For Gregg Test

May Osugi of Salinas and Carolyn Charlson of Aptos have recently received gold pins from the Gregg Company for having successfully passed a Gregg dictation and transcription test.

The test consisted of taking shorthand at the rate of 100 words per minute, and transcription with less than five percent errors. These tests are given once each month in Mrs. Anne Harper's advanced secretarial class, but Mrs. Harper declared, "It usually takes several months practice for a student to finally win an award."

Misses Osugi and Charlson are now practicing for further shorthand tests at the higher rate of 120 words per minute for 5 minute dictation.

Newman Club Plans Dance

Valentine's Day dance under the auspices of the Newman Club of Hartnell College. The dance will be held in the women's gym following the Hartnell-Menlo basketball game on February 15.

Newman Club members will attend National Newman Club Day festivities in San Francisco on February 3, announces Miss Eleanor Perry, club advisor.

Business Grads Accept Positions

Frances Wong, business student at Hartnell for the past semester, has accepted a stenographic-typist position with the Bank of America in Watsonville.

A full-time position has been offered Clayton Loss, accounting major from Freedom, by the W. H. Scovil Company of Salinas, public accountants. During the Fall semester Loss has been employed by the Scovil offices under the cooperative work plan. Loss plans to work toward a Certified Public Accountant certificate.

The visiting seniors concert band is composed of senior bandmen and women from high schools in the area who visit Hartnell each Spring, as well as Hartnell band members.

There are several fine instruments available free of charge to responsible persons, declared Mr. McCann. Interested persons may see Mr. McCann in Room 18 before or during registration.

CAMPUSOLOGY

By RAJAH

After starting out the Mew Year out rite (flat tire at 1 a.m., January 1, 1952) this reporter swore (!) that he shall never cart his date or Jamshid (you know him) home before that time on any future New Year's Eves. In hopes that I haven't set a pattern for the New Year I am now proceeding to produce the first flat tire of The Panther Sentinel.

Wha' hopen las' year? Sexcesspool football season — Gladitors beat M.P.C.; basketballers won tourney (and no point shaving); Homecoming parade turned into open house; student lounge opened temporarily for World Series, and then permanently (we hope); and, best of all, Christmas vacation arrived. Then came midnight, December 31 — no comment will pass censor here — imagine what could be said!

Flash: Mr. Cecil B. Dufour is still directing filming operations at H.C., so keep those teeth shining and showing (and in the mouth).

Complaining of the intolerable heat the other day, Germany's contribution to Hartnell, LutzG. Muenster moaned, "Gee whiz, here I am suffering from der heat, and Nkemka Obieze (from Liberia) is ketching ammonia! We should mebbe diLutz the place — its pandemonium, not ammonia!

Gerry Sweet, Dale Swire, Punky Marnach — Goodbye!

Jean Emery, Former Miss California Weds

Jean Emery, former Hartnell student and Miss California titleholder, was wed during the Christmas holidays to a former University of California football player, Frank Brunk. The newlyweds will make their home in Berkeley. The bride was graduated from Hartnell in 1947.

Another alumna of Hartnell, Miss Ann Veet, is returning to her Salinas home shortly following two years as a civilian employee of the Office of Civilian Personnel on Okinawa. Previous to her Okinawa appointment, she completed seven and a half years as a civilian employee at Camp Stoneman and Fort Ord.

English 42 Class To Study Writers

Do you recognize these names? Poets Ezra Pound? Robert Frost? T. S. Elliot? Or Novelists Theodore Dreiser? John Dos Passos? William Faulkner? Irwin Shaw? Max Schulman? Or Dramatists Eugene O'Neill? Arthur Miller?

English 42, given during the spring semester, will introduce to the student such writers as mentioned above. "The course allows the individual to pursue a plan of reading which will make him aware of the forces that form American opinion," proclaimed Miss Eleanor Perry, English instructor.

Reading will begin with the rise of realism in American literature at the end of the Nineteenth century in order to provide an introduction and background for contemporary writing.

Harts Retain Small College Cage Crown

Hoop Highlights

By TOM WELCH

With basketball season well under way, there are a few facts that some of you cage fans may like to know, and this is a chance for me to play the part of professor.

The game was originated by a man named Naismith in 1892. Nine men formed a team and peach baskets were used for goals. Not until 1930 did official rules start to take shape. Well, so much for history.

Nick Kralj and Tony Ruso of Watsonville will no longer form part of this year's basketball team. Ruso must devote all of his time to his studies and Kralj's doctor advised Nick to give up the sport for a year due to his injured knees.

So far this season the Panthers have shown a good team, winning most, but losing some. Their first conference game is tonight when they face Menlo. The game will be held at Menlo, and the Harts are determined to bring home their first conference victory.

Saturday night the Harts will answer a San Jose Frosh challenge, at San Jose. San Jose boasts of numerous victories and a tall team. It is certain that this will be an eventful week end for the cagers.

Van Cleave, Ferrario Receive Honors

Ken Van Cleave and Co-captain Ernie Ferrario were named to the first team C.C.N.C.J.C. squad recently chosen by conference coaches meeting at Marin. Van Cleave was named to the center post while Ferrario nabbed a tackle spot on the mythical eleven.

Champion Menlo dominated the team with six players; Monterey and Hartnell each grabbed two spots and Contra Costa East had the final position. College of Marin failed and land a man on the team.

Both Panthers on the squad played offensive and defensive ball during the season. Van Cleave was the most aggressive pivot man in the loop and was a hard-working linebacker on defense. Ferrario went both ways, and the rugged tackle was a constant threat to opposing backs as a result of his rough brand of ball.

Three Panthers Receive Awards

Three Hartnell basketball players received awards in the recently held Small College Tournament.

Bob Ballard, the Harts' high scoring and clever center, received both the all-tourney and the outstanding Hartnell player trophies. In the three games played, Bob scored 49 points, which was an important factor in the victorious Panther campaigns.

Young and talented forward, Bob Adams, was also selected on the all-tourney five. Adams scored 33 points in the tournament, but more important was his unstoppable rebounding efforts.

Tom Welch received the foul-shooting award. Tom dropped in 45 foul shots in 50 attempts, which is a fine average in any league.

The three other men selected on the all-tournament team were Chet Carr of Vallejo, Gene Verkerk of Yuba, and Chuck Harris of Porterville.

San Mateo In 51-49 Victory

The Panther cagers lost a "nip-and-tuck" battle to San Mateo J.C. in the opening round of the Modesto Junior College Tournament on the strength of a last-minute field goal.

The Harts began the tilt strong and scored almost at will, due to the faulty San Mateo zone defense. But in the second quarter the peninsula cagers changed to a pressing man-to-man defense and the scoring of the Adams men became less frequent. The 12-point lead was cut down to 6, as the Salinas team held a 31-to-25 halftime advantage.

The third quarter was a close affair, but rapidly tiring Hartnell was behind 39-38 going into the final period.

The fans surely got their money's worth in this final frame. Both teams fought exhaustingly for control of the ball and matched each other bucket for bucket.

With only seven seconds remaining, the game was notted up at 49-all. This is when it happened. San Mateo Forward Mangin fired a desperation hookshot and it connected for a 51-49 San Mateo victory.

Top scorer in the tilt was Mangin of San Mateo with 21, followed by Tom Welch with 18.

The next day the Panthers faced Santa Rosa in an exhibition contest.

Coalinga, Yuba, Vallejo Downed by Spirited Five

The Hartnell cagers successfully defended the championship they won a year ago by remaining undefeated throughout the three Small College Tournament contest, held here at Hartnell December 17, 18, and 19.

In their initial tourney encounter the "Harts" impressively downed the Coalinga Cougars by the score of 88-64.

Taking command of the play shortly after the tipoff the outcome was a foregone conclusion at the halftime when the Panthers led, 38-26. Sparking the play was Forward Bob Steinbach who poured in 17 points to take high scoring honors. Next in line in the point department were Bob Ballard with 14 points and Tom Welch with 12. Every man on the squad saw action in the contest and all played well.

The second contest in which the Panthers faced Yuba was a thriller from start to finish. Hartnell had a 10-point cushion, 17-7, at the end of the first period and it began to look as though they would breeze through the 49'ers. The Yuba five began to click and the Harts were lucky to hold a 27-25 lead at the midway mark.

The highly spirited Yuba clan matched the Panthers point for point in the third period and the scoreboard read 46-46 when the

quarter ended.

Moments after the final quarter started Yuba's high-scoring center, Gene Verkerk, left the affair with five fouls charged to him. Two minutes later Bob Ballard left his teammates for the same reason. At this time the pace was fast and increased as the minutes passed. The Harts led 61-59 with but two minutes remaining in the contest. During this time Welch connected for 7 points and Steinbach hit for two. As the whistle sounded Goodman tanked a Yuba field goal to end the thrilling game with a score of: Hartnell 70, Yuba 61. Yuba's Verkerk scored 21 points for the 49'ers. Bob Ballard was high score man for Hartnell with 23 points, followed by Welch with 18. Much credit should be given to Bob Adams for his outstanding rebounding and to Jim Ledgerwood, a fast improving forward.

The title game lacked the thrills of the Yuba contest but by no

Ray Dyer Wins Cross Country

Hartnell cross-country runners made a clean sweep of its series with Monterey Peninsula College as they topped the Lobos, 10-11, in a meet at Monterey. Ace Panther distance man, Ray Dyer, ran the two-mile course in 10:18 to take top honors.

Carl Cookson and Bob Alioto placed fourth and fifth respectively to aid in bringing home the victory. The meet, which was held before Christmas vacation, was the third and final outing of the squad.

means was a "pushover." The Panthers faced a highly talented but tired Vallejo club. Hartnell trailed 11-12 at quartertime but led 28-25 at halftime. The Harts' fast break, paced by Bob Swan, was the winning factor in the second half. Swan and crew led by 12 points at the end of the third frame and held that margin when the game finished: Hartnell 58, and Vallejo 46. Chet Carr garnered 17 points for Vallejo and Swan and Ballard both made 12 points for the crown-wearing Panthers.

Contra Costa defeated Yuba for third-place honors and Porterville downed Coalinga for the consolation crown.
